Travel Insurance

For your protection, we strongly recommend travel insurance to protect you from cancellation penalties, should you be unable to travel for a covered unforeseen reason, as well as protection for lost baggage and medical emergencies. The policy coverage amounts are determined by the cost of the tour and the age of the passenger. In order for the Insurance Company to waive the pre-existing conditions clause of the policy, insurance must be purchased within fourteen days of deposit. Please contact the travel department if you are interested.

Proof of Citizenship/Documentation

U.S. Citizens are required to have a valid passport while traveling abroad. Passports must be valid at least 6 months beyond travel dates. If you are not a US citizen, please contact Dana Widen in our Group Dept for additional requirements and information.

US citizens currently are not required to have a visa for entry into South Africa.
